It is wired and utterly impossible to pass up. That would have
been compelling proof. Cassandra Boswell is lying and to free
me as a innocent single father of two. I counted 13 eggs
3 detectives and crime scene was all in my home that day. And
none no one pointed out I had 2 doors leading outside.
Witch tells you she was lying and never was kidnapped. To
prove the barricade she claim was all a lie. All on day one.
To completely demenish the lies of being barricaded trapt inside
because the front door was locked with fictional boxes and
a chain in front. Note My second door is in the same family
room for 15 cops plus crime scene not to noticed none of my
curtains are black on my windows, there are no boxes look
for barricade purpose in Inventory. So how and why she
felt like she need to jump out the window in order to get
away since she claim I blocked the only entrance to the
apartment. When I have a side bacony door in the same
room. When numerous and multiple time she plainly said this
lie getting away with it and giving me all these false charge
an never being question on it to prove. It is clear and con-
vincing for support. The Salt Lake city Police Department
is Violating my civil rights, Due process cause, and is per-
forming Legal malpractice by consistently ignoring Viatel
Evidence to support my Due process right. The Salt Lake
City Police constitute a substantial danger to any indivi-
dual In the community base on there gender and race.
This proves a Intentional bias from the Salt Lake
City Police Department that Violates my Civil Rights
an due process, cause by way of Legal Malpractice

Case 2:22-cv-00196-JNP Document 8 Filed 02/05/22 PageID 64 Page 6 of 24
Kassie Boswell confess multiple times In Apparent 33
Sequence Pattern everything was Concentual In a type
of Riddle, Enigma and anomaly Situation Taken from the
Probable Cause and the related narratives from police on the
discovery to prove numerous Inconsistencies And all the
Legal Malpractice In Sequence I clarified a basic
outline in one day of what Kassandra Lustuella Boswell
testimony confess happen for understanding an verificate
ion. She confess to Detectives M80 Amanda Capps and
Detective N19 Michelle Brett Tait found on the Discovery
are Salt Lake Police Department General Offense han
dcopy (sex AST-Rape Strongarm) page 25 describes me
as a horrible Ground Hog day. Saying plainly to the Det.
ective. When I ask her did she steal my wallet. She
admit and confess to them she said (she told me if
she had it she would have left.) Realize this complete
ly deminish kidnapping unlawful Detention and the lies
of the threat from being ever barricaded to there face.
To ignore that bold face confession an still go ahead an
chardge me with it in all these false chardges are
Intentional an unconstitutional That noticeably
Violates my Due process cause. The Fact she said that
K.B admit while I was helping her a homeless women
had she would have gotten a hold of my wallet only them
she would have left. Witch is stealing a dishonest take
lying about being fourse kidnapped, Factually Associated
with perjury and conspiracy. The Fact the police didn't
say nothing about this and still charge me with this is also
perjury, conspiracy and Arbitration, false Arrest Violating
my civil Right and Due process cause. Legal 3 that's
Legal malpractice

C. CAUSE OF ACTION

1. I allege that my constitutional rights, privileges or immunities have been violated and that the following facts form the basis for my allegations: (If necessary you may attach additional pages)

a. (1) Count I: Legal mal practice and Arbitration
Ignoring a lot of vital Evidence Not bring it forward.

(2) Supporting Facts: (Describe exactly what each defendant did or did not do. State the facts clearly in your own words without citing legal authority or arguments.)

Over to noticeability thing wrong proving
Factually Kassie Boswell is lying and the
police know it with Substantial Evidence
Supporting it is a Fact because It is
Clear an Convincing compalling proof
that is utterly impossible to pass up
apon in the Investigation of this case

b. (1) Count II: Violating My civil rights and
Due process cause Right by Rail Roding

(2) Supporting Facts: By Rail Roding me piling a
Whole lot of false charges on me to
make me just sit in jail an lose every thing
I have to make me wait in mental Anguish
to take a pley knowing I am factually
proven Innocent man with 2 small children.

c. (1) Count III: Perjury Conspiracy, Legal mal
practice, false Arrest Violating my
civil rights

So the proof is in the State ment she told y told me at (4) my home to the Detectives She would have stolen my wallet or hurt me then only then leave. With it that Factual Noticeable Intension upon interview would have been utterly impossible to pass up upon that demeanor learned During the investigation from the Detectives Constitutes numerous Violations to my Due process cause: and Civil vile right that is being dictated by this Arresting Agency. So why I have been in here for over six weeks held with out bail base on a proven lie since day one.

The 13 cops 3 detectives and crime sean didn't notice I dont have a black dresser/ottoman with no back curtain on my window I dont have a door nob on my room door. all this would have been utterly impossible to pass upon an not notice by 15 cops like the fact I have 2 doors and none of my window have black curtains is a fact she was lying about being barricade and every thing the 15 cops was pressenting was a conspiracy by not reporting it in the Investigation. Witch is Intentional because it is compelling of the significant finding for normal review. Upon inspection along with not finding the boxes she claim I use for to barricade us in with for the Investigation on this case. Questions like what was K.B doing while I was desctracted barricading the one door? When I have 2 two doors? Why not escape? are What happen to the other door? Why she cant exspain? The Fact My Room dont have a door nob are lock a baby can push it open. I dont have a black dresser ottoman at all. Not pressenting this in the report had to be Intentional because it is compelling of significant finding in this Investigation for this case

Still the facts in this case is for to be subpoena. K.B. is
18 A Felon that did more than eight months in jail on 11
Prison that's Diagnos with Paranoid Schizophrenia

She lost all her children witch is a big deal. That's is a
series cause she is not motherly at all. That's your prob
This woman is willing to walk away from all seven of her
kids living this life caring about herself. If she dont
are about the seed in her womb she dont care who she hurt.
She is just going around reaking Havic and there's a patte
tern behind that as she is a proven dead beat mother. So the
state wanted them deaming her as a unfit mother an took
all her children because of some type of abuse witch
cause trauma.

9. If the first sentence on the probable cause is false
It's a pattern because it father's the whole probable
cause Declarant. Pattern's normelly means Intentional.
Then it is a proven Fact The whole thing is False. If you start
it course and keep going you will end up going forther
in forther away from the finish line. If you start running
ot track an keep going you will end up just going forther
in forther away from the goal line. If you start with a lie
and keep going. You will end up having to keep lying a whole
lot of made up story's leading you forther and forther away
from the truth. Exsonorate me already. Enough is Enough
Just stop the lies! Dont you think you have already done
Enough stuff to hurt me? I lost every thing, my home, kids
car, future, Sob, and reptutasion. All for your pack of lies
You keep making up. In believing these discreditable people
on this probable cause. I gave you the true story in the
Interrogation room! Then you used it as a build board to
collaborate it with K.B. and Fabricating this bullshit Fictional ham
mer story that dont make sence to make false charges stick.

20. You know it's a lie because they can't explain and by not saying nothing leaving you in suspense. 12

Detective B Tait didn't Redlizes. on the Probable Cause Declaration. When describing the video I sent to Old School of me filming K.B. Holding my phone while recording her using my right hand and grabbing the towel with my left hand. To say she didn't see me with a 27in hammer with sharp edges in my spare hand that would have cut K.B. but she Note it was clear in Convincing Supporting Evidence that It is Oregous Salt Lake City Police Department needs to clean house they on crooked cops Fabricating lies collaborating with the allege victim to make charges stick. They raided my home looked for any weapon they can find. Took pictures of two hammers and sent IT to the Detectives B Tait and her partner to Fabricate and collaborate a Fictional story with K.B. Because I am a Black man. Subpoena the interview of K.B. investigation 21. What the Probable cause completely leaves out because it is a bold face lie. The story's don't match up. When the police raided my home it was utterly impossible for them too to be able to pass upon the inspection for the investigation of this case. So I would like to have another search of my apartment for compelling proof, for Evidence to complete the investigation. ① I don't have black curtains no wear in my home. ② I also have 2 two door's. So where was K.B. an the police? ③ Where was these boxes I used as a barricade? to place in front the door. ④ What I place in front the other door? I have one chair? but 2 door's ⑤ They completely left out the other door that is directly across kitty corner in the same room as the front door. So why was this door not in the Declaration. ⑥ How did I barricade the bedroom door? an with what? How was we trape inside? ⑦ What Happen to all the barricade for the door? ⑧ Where is the Meth pipe.

(2) Supporting Facts: lies are Intentional that is
a Fact to falsy charge some one right
after they openly confess to your face on
the discovery by openly admitting she was
not kidnapped she would have left after
she stole my wallet. and everything sexual was
Concentual on a legal document still sending a Innocent
man to prison is perjury an conspiracy Legal malpractice
D INJURY

1. How have you been injured by the actions of the defendant(s)?

With friends
3 family
With love ones
False Arrest, Unlawful Detention
Violation of my civil rights, I dont
have rights in here. Unwanted touching
2 counts of child indangerment Abandonment
neglect witch is abuse. Lost of property and time

of charictor. Cruel an unuseal ponishment

Kassie Boswell said I made her smoke heroin out of a meth pipe but police never found a meth pipe with heroin resson in It. But while noted on the discovery interview Detective Capps proved Kassie Boswell was lying when asking her have you ever smoked heroin and meth before? So she should know what meth and heroin taste like. Note on the Discovery while the Detective capps Interview her notice she was lying and did not call her out on it. to prove she knew what meth and heroin would have taste like.

On page 26 on multiple time she said she use the hallway bathroom witch proves she was never barricade in my bed room. From the out line of the apartment she confess sleeping naked with me in my bed room Consensual not force Rape but to get her ID card. So The Detective's Realizing Kassie lied about ever thing by not being rape and barricaded or trapt in my bedroom. On page 12, 24, and 26 of the discovery. While using the hallway she had a straight exit to the front door. On page 26 Multiple times she said she use the hallway bathroom. proves she was never barricade in the bed room at all. from the out line of the apartment. On page 24 Kassie confess she slept naked with me in my bedroom Consensual not force to get her ID card back because she felt sorry for me because I was lonely and deress. As a bargain exstange decision while consensually laying naked in bed said we had sex. But was not forces or told me to stop. But calls it Rape. F. REQUEST FOR RELIEF

1. I believe that I am entitled to the following relief:

I believe I am entitle a relief of the amount of 600,000,000 Six hundred million dollars and have my case with all the evidance presented in front of a Magistrate sudge to factually free me and clear my name.

But she calls it rape but come pines it with a deal also (6)
Then get up only because I came not because I put
my penic inside her while laying in my Bed Means ~~the~~
with out saying a word to get up are stop proves this
was not forced Rape. But only after I can get up
to shower in the hallway bathroom contradicting ever
being trapt in my bedroom. Along with there is no
black dresser in my home and ~~Bedroom~~ How could
I barricade placing boxes, chairs, dresser's and anything
with a hammer in my hand. Taking money, ID, and
cigarettes to: completely not bringing up the other door
nowhere in the whole case? Along with there is no black
dresser in my home. and the bedroom door nob is gone.

Then claim ~~the~~ Kassie go to sleep in my kids bedroom witch is
off limmets Fully dress an dont leave. Then she claim I
Pop up like ground hog day asking her did she take my
wallet. On page 23 She confess If she had it she would
have left. Meaning proof she is not kidnapt threaten she
is there on her own free will with motives to steal
then leave. Underlining persury.

She confess sleeping naked with me in my bed room
Consensual not force to get her ID card because she
felt sorry for me. as a bargain descision exstange along
with after she refers to it in comparing Rape to a
deal i fulfilled.. And on the video of me grabbing the
towel of her dont show no hammer in my hand that
would have cut or incured her by peeling the towel of
her skin. also she reported it was on the bed room floor
at the begining of the night an at the end upon the police
exspection. Making the video's real that she was not
kidnap and Legelly trust passing be young Reason dont.

Case 2:22-cv-00195-JMP Document 8 Filed 04/05/22 PageID.78 Page 15 of 24

In Short The Sequence of Events proves K.B is lying
The Probable cause don't Make since. The Police is cover
ing up for her in there Investigation Meaning
I am Factually Innocent Beyond Reasonable Doubt
Base on K.B's confession an pattern. In this exact order
1. It said I ran up to K.B on the street at 7-11 told her
come over to my home so I can do her laundry, take a shower,
and sleep in my kids guss room. On top of that fictional
story being really hard to beleave. Hypothetically That would
be factually impossible to know. So it's a lie. Because (she
recognized me at her old job) & that part don't make since.
2. K.B wears my lingerie and feels comfortable in safe
in front of a group of strangers that visit me at my home
while drinking.
3. K.B feels like im being threatening just because I am
walking around my home with a Hammer. I told her
to sleep in my room with me because she is not a guess
she is my compamy an also a stranger. Universal Law
my house my rule It is a very Series an Scary thing
to Let stranger in your home walking around while
you sleeping. My bedroom door don't have a lock a baby can open
4. K.B said I barricaded the only door with boxes an all my
window's are black well we know them two are lies because
I have two doors and none of my window's have black cur-
tains no wear. Witch would make this utterly impossible
for the police not to pass up upon inspection along with
not finding the boxes she claim I use for to barricade
us in with for the Investigation on this case. What was K.B
doing while I was destracted barricading that one door?
Why not escape? What Happen to the other door? My room door
5. K.B said I made her smoke heroin out of a meth pipe
why didn't police find the meth pipe with heroin in

upon the inspection. Investigation My room don't lock it off
6. K.B confess to going sleep naked with me for to get her.
I D Identification card not the threat of a hammer or
Rape or Kidnapping So clearly she is saying her sleeping
nude with me was consensual not force. So Realize if
she was threaten by a hammer. Why do I need her
I D as a bargain to bribe her with a exchange decision
Agreement.

7. She said I fingered her vagina while she was consent
ually laying naked with me in my bed. So there was no threat
are forces and she didn't leave, tell me to stop are was in
fight are flight mode. But confess she was already consent
ually laying there nude, But say it was not consensual. Then
if this was true how would I know how you feel unless you
tell me. I can't read minds. So it's a lie.

8. She said the room door was lock with us baricaded in-
side but How is this true when I tour the lock of it
a month ago A baby can push it open. But with what as
a barricade? And Why didn't police find this out upon inspec-
tion in the Investigation. If my hammer was fast laying
on the room floor so what that don't make it a threat.

9. She said she let me slide the tip of my penis into her Anus
and Vagina. Stop and Note she just admit. It was consensual
by saying she let it happen. Meaning she was not telling
me to stop are was in fight are flight mode. While consent-
ually laying Naked in my bed. That two consensual Factual ad-
vances in one setting proving this is not Rape or Force Kidnapping
Note. But after she got up to take shower to clean up. Put close
th on and went to sleep in my guest room without realizing she
just completely contradicted/down played the lie of being
baricaded with us trap inside my room. Then she claim she
lights me for pulling her pants down to check for my wallet

Note: K.B claim I made her go into the Kitchen nude But How? With what threat? And knowing I'm distracted To watch me cook us breakfast. Then what is the threat? Right after gave me Oral Sex because she is afraid. But why is she afraid when she just watch me cook us breakfast for 40 minus with me nude also. So there is nothing to be afraid of so It's a lie. Note: K.B confess watching me be distracted So It's a lie. Note: K.B confess watching me be distracted cooking us breakfast meaning not threaten beyond reasonable doubt. There was no gun to her head Metaphorically Speaking she done stuff base on her own free will. Fact are the hammer was noted to be on the bedroom floor No wear near the Kitchen are ever in my free hand while filming those video's base on K.B testified statement at the beginning of the night and at the end on the police inspection with pictures sent to The Detectives. That I layed it next to my bed in my room on the floor which was ~~to~~ suppose to be ban riade completely demenishing the lies of all these false charge an it ever being a threat while filming the video's meaning ever thing was consensual and on that video and on the video of me telling K.B pay me and get out my home was real. Along with the video I sent old School it was evidence with it's clear and convincing for support. The probable cause completely contradict itself. When K.B said I put the hammer down in my room at the beginning confirming the police Identifying it to be in the same location with pictures at the hammer location all night beyond reasonable doubt make it impossible to be a dangerous weapon threat. This is proof K.B was walking around my home freely doing every thing she wanted base on her own free will. You cant Rape the willing. It was her Free will Everything Consensual

Note: According to K.B. I never verbally commanded or demand any threaten bodily harm using the hammer to Forese nothing no wear in the probable cause on her with it. All It said I did was walk around my home with a hammer with sharp edges and put it next to my bed in my home. Making the hammer role completely irrelevant because it was never a dangerous weapon threat. In fact it is a tool. Metaphorly speaking there was no knife to her throat. K.B stated I became paranoid and threatening by telling her she had to sleep in my bedroom not the guestroom. How is that paranoid or threatening? It is my house my rules just like private property. That is universal law. For one she is not a guest she is my company and a stranger. I don't like strangers walking and roaming around my home when I am sleep. Reverse psychology on that part when really it is the stranger who is the threat. It is a very Series Scary thing to let strangers in your home while you sleep. Every body know that the lady is suppost to be there for you not your property. The guess room is property. It's not a shelter. So that comment is not a threat. Then her option was to leave right after. She said I locked my house door. Hint she didn't leave.

Riddle me this Enigma. K.B claim The only so called Threat was by taking her ID and told her she couldn't have it back until she sleep naked with me. So she agree to do that base on describing me seeming very lonely and distressed. To get her ID back. With out realizing this is a conscious consensual decision she made willingly. Factually demenishing the hammer threat lie cause. By openly admitting. The hammer ~~was~~ was not the threat its taking her ID card she claims witch is bribery a bargain excuse exchange agreement. Not fisical force Rape are Illegal but consensual Be young reasonable adult.

Fact: Are K.B was trespassing confess Multiple times I asked her to leave while filming for Evidences she reported to remember everything I said in front the camera like she came to Rob and abuse me Even my demeanor like I seem lonely and distress. Even words I said off camera like you should pay me forgiving you a place to stay. But can't remember no threatening words to inforce the hammer to make it a threat so the threat was the camera she needed a Alibi. K.B was Fully conscious of the hammer location all night because when she said in the beginning I put it down in my room confirming the police I identifying it to be in the same location with picture at the end upon inspection. Makes it impossible to be a dangerous weapon threat and that she is lying about it being in my free hand in those videos where I am asking her to leave. Periodically throughout the night. Instead they collaborated a story about checking the hammer on her in a hammer in the other hand. When raising it she set down are is threaten. It is commensents the story contradicts itself. We are no Actors I am no director. That would require rehearsal with concert. A dog would have to be trained to do tricks because we need his cooperation for his part so the story is a lie false. It don't make since. It's impossible to synchronize rhythm and impulse with out instruction or a script. If I just met this lady one time before at a store check the time stamp I film 4-6 video How you get her to acknowledge and rape. With out questioning her trauma. It would take skill. So to be clear none of K.B story's match up. The videos I took on my personal cell phone are real. Nobody have time for to be acting. No body even thinks like that. I don't know K.B on that level or Once I want to in said. There are way to many women in my life to act

like that. I don't know K.B. on that level. It was noted two young women left my home begging to live with me just that night. I film her because I was nervous. I was just trying to have evidence she was acting weird. That's why I ask her to leave. Who ever believes her stories minds are not straight. In the video you can plainly see no barricades, boxes are chairs in front of no doors. She is walking carefree throw out my apartment while going from room to room. From nude to getting dressed putting clothes on with is proof. It's consensual. She is not being forced to do nothing or to where anything. While we are arguing about payment. She plainly looks normal doing her own thing nothing on the probable cause. Means she is comfortable feeling safe in my home. I have a 27 inch Iron hammer every body knows I sleep next to my hammer. It give me peace of mind. I walked to Maveric Gastaign with it that night with K.B. and place it on the front counter when I order. Check the camera at Maveric that night. Because I live in a rough neighborhood. Ask officer Hoyle/UTT. I got stab at 7-11 a month ago and my car got stolen 2 months ago. So when I got home I put it next to my bed. Note the hammer role is completely irrelevant because I never threaten her with it. The Detectives didn't realize when describing the video I sent to Old School of me filming K.B. Holding the phone while using my free hand to grab the towel which would have clearly cut K.B. when I did that proves K.B. was living and was trust passed. To say she didn't see me with a 27 inch Iron hammer with sharp edges in my hand. When was then adding it was clear and convincing with substantial proof. Cops are train to look at suspects hand for safe. sa

Sentence: Not

All the noticeable inconsistencies is utterly impossible to pass on. Please help me I am a single father with 2 young daughter I have to raise. I am factually innocent beyond reasonable doubt over everything. Wrong in this arresting agency case lies are intentional. I have substantial evidence supporting I am innocent. Strange she don't know my name but she can remember everyone else's name that is because she never was my friend or wanted to get to know my name but can remember my hammer and room better than me that is because she was casing it. What else is strange she can't think of or remember no threatening words I ever said that whole night to enforce a hammer to make it a threat that's because I never threaten at all. The hallway bathroom is leading straight out to the front door and the family room door the two door lead outside. ~~What is the~~ hallway bathroom barricade in.

Fact: Are K. Bork Kassie Boswell confesses while sleeping in my kids room a room that was off limits Not ~~bar~~ barricaded Fully dressed and didn't leave she would have stolen my wallet then leave is proof she was not kidnaped or threaten but was only there to take advantage of me as a master manipulator Recognized she told this to the Detective face with out hiding it. to even try to barny the true. an the Detectives still charge me with these serious nature of the allegation clearly is a Violation of my Due process. They place me on a No bail.

Fact: Are K. Bork Kassie Boswell was truspassing she confess Multiple times I asked her to leave while filming for Evidence she Reported to remember everything I said in front the camera like she cam to rob are abuse me Even my demeanor like I seem lonely and distressed. Even words I said off camera like you should pay me for giving you a place to stay. But cant remember no threatening words to intorce the hammer. to make it a threat. So the threat was the camera she needed a Alibi. K.B stated She was Fully conscious of the hammer location all night because when she said in the beginning. I put it down in my room confirming the police Identifying it to be in the same location with picture at the end upon inspection. Makes it impossible to be a dangerous weapon threat and that she is lying about it being in my free hand in those video's when I am asking her to leave. Periodically through out the night. This is and was all noted from and by the police and the Detective to there face and written by them also. on day one. The detectives said they saw a video as a eye witness on the probable cause showing me with a camera phone on K.B while grabbing my towel off her with the other hand proves If I had a 27 in Iron hammer it would have cutt K.B and the Detectives didnt see the hammer So K.B was lying
